Dinner will be held at 5:30 p.m. at the Thorhild Community Center. **Please RSVP via calling the office no later than March 10th.** Immediately following the dinner our Annual General Meeting starts at 7:00 p.m.

Nominations took place throughout December and closed on January 18, 2016. The results of the nominations are as follows:

Zone 1: Harold Hamilton - Acclaimed as there were no other nominations presented.

Zone 2: Jacob Middelkamp – Acclaimed as there were no other nominations presented.

Zone 3: Richard Filipchuk & Kevin Grumetza

Election to be held at the AGM

Nominee Bios

Kevin Grumetza

Kevin has lived in the area as a North Parkland Power member for 35 years, and is currently the Deputy Reeve of Thorhild County. He is a successful business owner as well as a patent holder. He is a very community oriented person and has served on the Thorhild Emergency Services for 25 years. Thinking outside the box and finding new ways to improve, has given Kevin a proactive approach to greater growth and development as well as an objective and optimistic way of completing tasks. He and his wife, as well as his daughter and her family still reside in the area.

Richard Filipchuk

Richard has lived in the area and has been an REA member for 43 years, and 6 of those years he served on the board. He is happily married and has 2 daughters that still live in the area. In 1970 he started in the oil and gas industry and is still currently active in that sector. He is also a major shareholder in an oil exploration business. Richard is community oriented and volunteer driven, having been a volunteer firefighter for 18 years, and a Fire Chief for 8. He is honoured to work on the NPP Board with excellent staff and personnel, and looks forward to the opportunity to continue to serve the REA members, by looking at other ventures to increase the value of the REA.

Jacob Middelkamp

Jacob and his wife have been members of North Parkland Power for 19 years, and Jacob has been on the board for 1. He is originally from Holland, where he first began his farming career of 40 years when he and his wife started a potato farm from the ground up. While still in Holland Jacob helped start a co-op for potato farmers to help process potatoes into french fries. When he moved to Canada he kept farming, but this time with chickens, and later changing to ducks and quail. He is community oriented and currently sits on the board of Coronado Gas Co-op as well as 3 boards in Sturgeon County.

Harold Hamilton

Harold has lived in Thorhild County for over 36 years. The first 17 years of his career was spent working for Alberta Transportation building bridges. He has also worked for Thorhild County as the Agricultural Field man, until 5 and a half years ago he took a position with Lamont County as their Director of Public Works for whom he still works. He understands what it is to work for the public, to represent the public and always recognizes the importance of listening to the public. Harold was taught at a young age that volunteering is the core to a community. Family is very important to Harold and his wife, and they are very fortunate to have their kids live so close.
